COMMENTS FROM THE STUMP

at University of Kentucky Hospital

On Thanksgiving, I received a new heart. Thanks to my Lord, I have been given a new lease on life. Countless prayers from my friends and family throughout the United States have given me the support to endure the experiences few individuals can imagine. I am now on the road to recovery and plan to attend the NSCA, Inc. 25th Anniversary meeting in May of this coming year. I hope to see everyone there.

I want to thank Bob Underwood and Richard and Paula Farmer for their production of this issue of Scrip Talk. I can't thank them enough for standing in for me in my time of need.

If all goes well, our special 25th anniversary gold and silver medallions will be ordered early in January, along with the 25th anniversary NSCA wrist watches. A special order form will be sent out before the next issue of Scrip Talk.

Finally, don't forget to submit your election ballot for the 1997 general election. The results will be made available in the February, 1997, edition of Scrip Talk.

WE'RE CONNECTED

Thank you to Scriptor Larry Adams (member number 1176) for establishing an NSCA "home page" on the Internet. Larry's firm, Mining Internet Services, Inc., has generously made the space available to us and Larry has done the design and set up work for the page. Larry has posted our Association logo, information about our organization and an address for further information. One feature is an e-mail link to our Secretary, so net cruisers can immediately request further information. To date we have had no requests for information from this site, but Larry does report that it is viewed several times per day. It appears only a matter of time until we do get a new member this way.

Members with World Wide Web access can point their Internet browsers to his site at <<http://www.miningusa.com/mh-t>>. This page has a direct link to our page and a number of other related organizations, such as the Beckley Coal Museum. Take a look, it's well worth your time.

Thanks to Scriptor Joe Feazell for bringing the site to our attention and suggesting we publicize it in Scrip Talk.

AUCTION APOLOGIES

By: Bob Underwood

Our apologies for the mistakes in the last issue's auction listings. Due to time pressures in getting Scrip Talk mailed, the closing date for mail bids was changed (to a Sunday!!!) without changing the corresponding e-mail closing date. To partially rectify the problem, all bids received by the next mail after the published cutoff were honored on a one time basis. We are taking steps to ensure this doesn't happen again.

Starting with Auction 96-6 (listed elsewhere in this issue), we have simplified the method of charging for postage. Instead of having to record the exact amount on invoices at the post office, we are adding a flat 5% to each invoice for postage (subject to a \$1.50 minimum). We believe this will cover our cost. We will keep records of amounts spent and billed and if an adjustment is necessary, it will be presented to the Executive Committee for approval.

Please send any tokens you wish included in the auction directly to me. It is very helpful if I can receive them about one month before the publication date of Scrip Talk. Let me hear your comments (good or bad) about the auction. Many of the changes in the past year have been the result of members' input. Keep it coming!

25th ANNIVERSARY MEETING

Plans are already underway for the giant 25th Anniversary Meeting of the NSCA, Inc. to be held at the Cumberland Gap (Tennessee) Holiday Inn, the weekend of May 2-5, 1997. A special block of rooms has been set aside for our use during these days. Crawford Blakeman will be our host for the weekend.

In addition to all the activity that accompanies one of our meetings, the nearby activity is live with the early history of the area. Just through the newly opened Cumberland Gap tunnel is the Cumberland Gap National Historic Area, through which Daniel Boone opened the Wilderness Trail. The Tennessee side features the nearby Lincoln Memorial University, with its giant statue of Lincoln.

For this meeting, early reservations are a must. Reservations can be made by calling 1-423-3631. To receive the special price, be sure to mention you are with the NSCA, Inc.
